Subject: Virtual/Online Training Update

As of yesterday, BFS virtual training has been approved. If you wish to instruct virtually you will need to send an email to me requesting to be approved to provide virtual BFS training. In your email you must include your name, address, contact number, email address, your BFS Certification number and the course you wish to instruct.

Once we receive your email we will review your request and if approved we will send you additional information on what steps you will need to take, especially at the beginning of every class you instruct.

At no time should you be instructing virtually without approval from Colonel Mason or his designee.

Please be advised that the Colonel's authorization for the online Basic Firearm Safety Program expires when the state of emergency in the Commonwealth of Massachusetts has been lifted.
